

DATA REQUEST FORM

Energy and Water Reporting and Benchmarking (EWRB)

Ontario Regulation 20/17 under the *Green Energy Act* 2009 requires owners of large properties with a gross floor area of 50,000 square feet and above to report their energy consumption and water use data to the Ministry of Energy, Northern Development and Mines on an annual basis. Visit [Report energy and water use in large buildings](#) for more information. The reporting requirement will be phased in as displayed in the following schedule:

- July 1, 2019 for buildings 100,000 square feet and larger
- July 1, 2023 for buildings 50,000 square feet and larger

Please use this form to request the annual energy consumption and water use data for your property from Burlington Hydro Inc. **Please email the completed form to waterbilling@burlingtonhydro.com**, and quote “**EWRB Request Form**” in the subject line. Data requests can take up to four weeks to process.

For property owners requiring aggregated consumption for a suite-metered property, Burlington Hydro Inc. will provide an account list including names and addresses for validation by the requestor.

Personal Information relating to identifiable individual customers will only be aggregated.

Please submit your data request as soon as possible. Requests received after June 1 may not be processed by the July 1 deadline.

STEP 1: Gather Necessary Information

Burlington Hydro Inc. requires the following information before it can provide the energy consumption and water use data for your property:

- i. Account number for at least one of the accounts of the property you own or manage.
- ii. Ontario EWRB ID: the unique number provided by the Ministry of Energy (MOE) for the property.
- iii. The property code for your property: information which you can find on your property assessment and tax bill, or the Municipal Property Assessment Corporation (MPAC) website.
- iv. Gross Floor Area in square feet of the property for which you are requesting the energy consumption and water use data.

If you are a property manager, energy consultant or other third-party requesting energy consumption and water use data on behalf of a property owner, the property owner must complete and sign the authorization section in PART A of this form to authorize Burlington Hydro Inc. to release the data to you. Burlington Hydro Inc. cannot process a request from a third party if this section is not completed and signed.

STEP 2: Complete this Form

A) PROPERTY OWNER INFORMATION

This section relates to the person or company that owns the property for which energy consumption and water use data is requested. Please note, if you are making a request for multiple properties, please provide the information in PART C of page 3 for each property.
